

Private/Event Hire

Due to the size of our site we are able to create bespoke and intimate events, for all occasions, which embrace our natural surroundings and allow our guests the chance to relax in unparalleled glamping luxury.

Every one of our events is individual and we aim to ensure that you have the freedom to express your own personalities and bring your own unique style to create an occasion which will never be forgotten.

If you are thinking about hiring the site privately then we invite you to come and meet us, have a look around the facilities and discuss options.
